

COMMONWEALTH OF MASSACHUSETTS  
**THE GENERAL COURT**  
STATE HOUSE, BOSTON 02133-1053

December 31, 2014

Michael Dempsey, Chairman  
Community Preservation Committee  
Groveland Town Hall  
183 Main Street  
Groveland, MA 01938

Dear Chairman Dempsey and Honorable Members,

We enjoyed meeting with members of the Groveland Open Space and Trails Committee this past year and discussing Groveland's Community Trail proposal. It was clearly evident that the members of the town's Open Space and Trails Committee put a lot of time and effort into the development of the trail concept.

Given the numerous and similarly related projects undertaken by cities and towns across the state, the Commonwealth has consistently made funding available for such initiatives. The majority of this funding has been in the form of grants, generally designed to promote open space, recreation, and transportation.

With that, please continue to keep us posted on the status of this project. Subsequent to receiving the required approvals on the local level, we remain fully committed in assisting and supporting the Town of Groveland's efforts in obtaining additional funding at the state level.

Again, it was a pleasure meeting with members of the town's Open Space and Trails Committee and we remain grateful for their service.

Sincerely,
