

September 30, 2016

Good Afternoon Michael,

Chesterton's employees, both local and out of town/state, are excited to hear of the Groveland Community Trail. Chesterton's past contributions to the Groveland community include sponsorship of the Groveland 5k in 2012 which has continued each year since then - in fact, in 2015 Chesterton became the Presenting Sponsor. The proceeds of those races went to the Groveland Recreation Department which as you know, helped the community in many ways.

We are excited to contribute to another community project for 2016-2017 in the form of the Groveland Community Trail. Chesterton's Love Where You Work program, which is an employee driven and employee led group of individuals acknowledge the benefits of the trail and plan to contribute to the Groveland Community Trail by way of trail maintenance. This may include trash cleanup along the trail, shrub and plant placement and upkeep, and other ongoing maintenance to keep the trail an enjoyable experience for all.

We look forward to teaming up with you as this project takes form.

Thank you,

Andrew W. Chesterton  
President and Chief Executive Officer

Thomas B. O'Rourke  
Vice President, Human Resources

Bryan Giard  
Design Engineering Associate, Operations SD Engineering  
Love Where You Work - Wellness Workstream Lead
